D. Brief Summary of Claim

CRC Number: TDC-2025-082005

CRC Issue Date: 19/01/2026

Summary of the Claim:

A claim under s 14(2) of the Employment Act where an employee considers that he has been dismissed without just cause or excuse by an employer (3rd Sch., item 1) $30000

E. Particulars of Claim

#1 Nature and Type of Dispute : Wrongful Dismissal Claims - A claim under s 14(2) of the Employment Act where an employee considers that he has been dismissed without just cause or excuse by an employer (3rd Sch., item 1)

Date of Dismissal :13/11/2025

Was notice / salary in lieu of notice given? :

Yes, in full

Why do you think you have been dismissed without just cause or excuse? :

Please elaborate on why your dismissal was wrongful. Member was initially terminated due to redundancy and poor performance without prior warning or PIP - this termination letter was backdated. Subsequently, member was terminated due to misconduct during the period of MC without justification. Upon clarification, explanations provided by employer were inconsistent. Despite claiming to be termination due to misconduct, former employer claimed he will still pay 3 months' salary in-lieu of notice. Notice pay was not paid as a single sum within the statutory payment timeframe. Payments were instead made in multiple parts over time, with payslips issued only for the first payment out of three payment. Member felt that the termination may also be a form of retaliation because member has been chasing for reimbursement of expenses incurred during employment. Former employer also resorted to issue a new employment contract with omission of the clauses related to member's benefit on claiming of reimbursements.

How much are you claiming for? : S$ 30,000.00

Please explain how the claim amount is calculated :

COMPENSATION OF WRONGFUL DISMISSAL.

F. Claiming for

Reinstatement : No
Money Order : S$ 30,000.00
Cost : Yes
Disbursements : Yes

Dear valued customer,

Re: Enhancement on Dollar Cost Averaging Option 2 for Genesis Indexed Universal Life and Genesis II Indexed Universal Life

Policy Number : 68001389 (the **"Policy"**)
Insured : RACHNA KAIRON

Thank you for choosing Transamerica Life Bermuda (TLB).

As part of our commitment to enhancing your experience, we are pleased to inform you of an important update to the Dollar Cost Averaging (DCA) options available under your Policy.

Introduction of Enhanced DCA Option 2

Effective from **1 February 2026**, we have introduced an enhanced version of DCA – DCA Option 2 to provide greater flexibility in managing your Index Account allocations.

Feature	Enhanced Version	Current Version
Transfer Method	Net Premium or funds are allocated into the Index Account in 12 monthly instalments	Funds are moved to the Index Account monthly until the Fixed Account is depleted
Duration	The instruction remains in effect until TLB receives your Written Request to cancel the instruction	The Instruction is valid for a maximum duration of 12 months; a new request is required upon completion
Flexibility	Provides greater convenience: The DCA remains in effect until you submit a Written Request to cancel or amend it	Requires re-submission of a new DCA request each time the previous request expires

How your existing DCA elections will be affected

Your existing DCA elections will continue to be processed and will remain unchanged. Under the current process for DCA Option 2, your instruction automatically ends after the selected period, and you would need to submit a new written request each time you want to continue. This means the current process will gradually phase out overtime.

Effective from **1 February 2026**, any new request for DCA Option 2 will follow the enhanced process. Under this updated approach, your instruction will continue automatically until we receive your written request to amend or cancel it.

If you wish to benefit from the enhanced DCA Option 2, you may submit a new request at any time.

If you have any questions, please feel free to contact your Financial Adviser Representative or our Customer Service Team at +65 6212 0646 or customerservicesg@transamerica.com.

We are, as always, at your service.
